ALL IN ONE ● Geometrie contemporanee, ispirate all'idea di equilibrio e rigore formale. Nuova generazione di lavabi in ceramica caratterizzati da micro-ambiti funzionali: vaschette accessoriate collocate nella parte posteriore dell'area lavabo. Un supporto interno consente di usufruire di un ulteriore pratico accessorio-vassoio oppure di un semplice piano da appoggio. I lavabi sono collocabili in appoggio, su piani e mobili, oppure installabili a parete con apposita staffa. Realizzati tramite monocottura ad alta temperatura 1250 gradi, sono disponibili in cinque colori e due dimensioni. Completano la collezione accessori in legno e in metacrilato colorato.

Contemporary geometries, inspired by formal austerity and perfect harmony. New generation of ceramic washbasins characterized by micro functional areas: small equipped bowls located in the washbasin back area. An internal support allows you to benefit from a further and practical tray-accessory or from a simple countertop surface. The washbasins are suitable for countertop, on tops and furniture, or wall-hung with a special bracket. Made by single firing at a high temperature of 1250 degrees, they are available in five colours and two dimensions. The collection is completed by wood accessories and colored methacrylate
